

BIOGRAPHY

Julius probably has one of the more uninhibited personalities out there. He's witty, creative and loves to laugh at himself. These characteristics were best showcased through his radio career. Julius ventured into Singapore Press Holdings' Number 1 Hit Music Station, 91.3FM, in 2009.

As a presenter, Julius co-hosted 'Requests, Texts & Shout-outs' that aired on Sunday nights. After cutting the mustard, he then moved on to join Rod Monteiro and The Married Men to host the primetime morning show on weekdays. During this time, he created many different on-air characters and brought gut-busting laughter to his listeners. He also hosted several of the radio station's 'Must Drink Friday' events along with The Married Men.

In the course of his 4 years in radio, Julius was also an Emcee and hosted a wide range of events and roadshows. He was even invited to star in a corporate video for Wave House Sentosa and be the spokesperson

for the 2012/13 Silosa Beach Countdown Party, which was covered on national news and broadcast over various media platforms. Julius thoroughly enjoys being in the industry and loves the opportunity it offers to be creative. His drive and high energy levels tailor him for almost any event.
